*The da Vinci Surgical System online training module is not a replacement for hospital policy regarding surgical credentialing. Intuitive Surgical only trains on the use of the surgical tool, the da Vinci Surgical System. Any demonstration(s) during the module on how to use the System to perform a particular technique or procedure is not the recommendation or "certification" of Intuitive as to such technique or procedure, but rather is merely a sharing of information on how other surgeons may have used the da Vinci System to perform a given technique or procedure.*
